DIVERSITY & INCLUSION POLICY

At BESTSELLER, we provide equal opportunities for everyone, irrespective of gender, age, ethnicity, national origin, sexual orientation, disability or religious background. We hire our employees on the basis of their personality, skills and experience.

Our diverse workforce is an important factor in competing globally and bringing sustainable fashion forward. We aim to have a workforce, which is truly representative of all sections of society and our customers. Fairness, opportunities and a sense of responsibility is part of our vision in BESTSELLER. We treat each other as family, which means that we take each other's differences into account, while creating an empowering environment where people can thrive and develop. We always put our family first and this is what unites us and makes us stronger together.

Room for all

The purpose of this policy is to further develop our strong platform where our people can unleash their potential through best-practice policies and development opportunities. We define an inclusive workplace as a place where we treat each other with respect and utilise our differences in a positive way. We have therefore created initiatives that cover all aspects of the PEOPLE process from recruitment and training to People Review and development.
